THAKUR COLLEGE OF ENGINEERING & TECHNOLOGY

Mumbai | 8668424061 | shivangvshukla2007@gmail.com

## Objective

Aspiring Computer Engineer student with a strong foundation in programming, problem-solving, and emerging technologies. Currently pursuing a B.E. in Computer Engineering from Thakur College of Engineering & Technology, Kandivali. Eager to apply theoretical knowledge in real-world scenarios through internships and hands-on projects. Passionate about continuous learning, software development, and contributing to impactful tech solutions.

## Experience

### TCET'S Green Club Member | Feb 2025 - Present

- Actively contributed to campus sustainability initiatives, awareness campaigns, and green drives.
- Participated in organizing events focused on environmental conservation and waste reduction

### CyberPeace Foundation 2025

- Worked on AI-based fact-checking and deepfake detection to identify and debunk manipulated digital content.
- Supported awareness initiatives to promote digital trust and safe use of cyberspace.
